

## **ARWMAS Regional Roundup Update**

**Oct.29, 2021**

### **Payment Increase 2022**

- ❖ Effective Jan. 1/2022
- ❖ Concludes implementation of results from cost study 2019
- ❖ Watch for notices coming soon from MMSW which will include an updated Appendix 4 which sets out the new rates for each collector
- ❖ In 2022, MMSW is conducting another cost study to update our payment rates based on more recent data from collectors' programs

### **GHG reporting**

- ❖ Friendly reminder that GHG reports are due Jan. 31/2022 which will include operational year Jan. – Dec. 2021
- ❖ Last year collectors showed very strong participation rates (87%) so let's keep it up
- ❖ Watch for our communication coming week of Nov. 2 to provide access to support resources for submitting your GHG report including our dedicated webpage, reporting guides, portal access guides and phone number to contact us directly if you need to
